Open Access accelerates research discovery and offers broader opportunities

for the adoption of research findings. APCs enable us to peer review, publish, index, and permanently maintain published articles. APCs are only charged to accepted papers after full peer review. Article acceptances can only be made by independent editorial board members and cannot be made by MDPI staff. We thank you for paying an APC to support Open Access.

Thank you in advance for your cooperation. I look forward to hearing from you.

Kind regards,
Ms. Yvette Dang

We will now edit and finalize your paper, which will then be returned to you for your approval. Within the next couple of days, an invoice concerning the article processing charge (APC) for publication in this open access journal will be sent by email from the Editorial Office in Basel, Switzerland.

If, however, extensive English edits are required to your manuscript, we will need to return the paper requesting improvements throughout.

We encourage you to set up your profile at SciProfiles.com, MDPI's researcher network platform. Articles you publish with MDPI will be linked to your SciProfiles page, where colleagues and peers will be able to see all of your publications, citations, as well as other academic contributions.

We also invite you to contribute to Encyclopedia (<https://encyclopedia.pub>), a scholarly platform providing accurate information about the latest research results. You can adapt parts of your paper to provide valuable reference information, via Encyclopedia, for others both within the field and beyond.

Kind regards,
Ms. Yvette Dang
