

## KORESPONDENSI JURNAL KORIDOR

### 1. SUBMISSION

The screenshot shows the OJS (Open Journal Systems) submission interface. At the top, there is a navigation bar with tabs for Workflow, Publication, Submission, Review, Copyediting, and Production. The Submission tab is active. Below this, the "Submission Files" section shows a file named "46778\_r\_gerasimos\_erry\_BAHASA INDONESIA\_Template KORIDOR.docx" uploaded by "gerasimos\_erry" on "August 2, 2023". A "Download All Files" button is present. Below the files, the "Pre-Review Discussions" section lists a single discussion titled "Pre-review" between "koridor" and "gerasimos\_erry" on "2023-08-30 04:13 PM" and "2023-08-30 05:24 PM". The interface is dark-themed. The bottom right corner displays the text "Platform & workflow by OJS / PKP".

### 2. REVIEW

The screenshot shows the OJS (Open Journal System) author dashboard for submission ID 13296. The page title is "Anthropometrics as a Design Concept for Christian Children's Orphanages in Surabaya". The navigation bar includes tabs for Workflow, Publication, Submission, Review, Copyediting, and Production. The main content area displays the "Round 1" status: "Submission accepted." Below this, the "Notifications" section lists two entries from "Koridor Editor Decision": one at 2024-06-28 06:19 PM and another at 2024-06-28 06:27 PM. The "Reviewer's Attachments" and "Revisions" sections both show "No files". The "Review Discussions" section has an "Add discussion" button and a "No items" message. The system status bar at the bottom indicates "33°C Berawan" and the date "10/06/2023".

### 3. COPYEDITING

The screenshot shows a computer screen with a web browser displaying the OJS platform. The URL in the address bar is <https://talenta.usu.ac.id/koridor/13296/task/author-dashboard/task-dashboard-tab/patch-reviews/resource/13296Manager>. The page title is "13296 / Anthropometrics as a Design Concept for Christian Children's Orphanages in Surabaya". The navigation menu on the left includes "Submissions" and "Workflow". The main content area has tabs for "Workflow" (selected), "Publication", "Submission", "Review", "Copyediting" (selected), and "Production". Under "Copyediting", there is a section titled "Copyediting Discussions" with a table showing one item: "koridot, 13296-Oke.docx" from June 28, 2024, with "Article Text" status. A "Search" bar is also present. The bottom of the screen shows a Windows taskbar with various pinned icons and the system clock indicating 15:31 on 10/08/2023.

#### 4. PRODUCTION

This screenshot shows the same OJS interface as the previous one, but the "Production" tab is now selected in the navigation bar. The main content area displays a "Production Discussions" section with a table showing one item: "koridot, 13296-Oke.docx" from June 28, 2024, with "Article Text" status. The rest of the interface and the Windows taskbar at the bottom remain the same.

#### 5. PUBLICATION

The screenshot shows the OJS (Open Journal System) interface for managing manuscripts. The main title of the manuscript is "Anthropometrics as a Design Concept for Christian Children's Orphanages in Surabaya". The status is listed as "Published". A red banner at the top states, "This version has been published and can not be edited." On the left sidebar, there are tabs for "Submissions", "Workflow", and "Publication". Under "Publication", there are sections for "Title & Abstract", "Contributors", "Metadata", "References", and "Galleys". The "Title & Abstract" section is currently active, showing the title and subtitle fields.

This screenshot shows the "Galleys" section of the manuscript. It includes fields for "Subtitle" and "Abstract". The abstract text is as follows:

Surabaya is one of the largest metropolitan cities in Indonesia with all the developments that have taken place, from development, technology, education, and others. However, even so, there are still many Child Welfare Institutions (LWS) or child orphanages that have not received accreditation, as much as 71.7% of child orphanages in Surabaya have not been accredited. This means that there are still many orphanages that have not met the eligibility standards, both in terms of area related to the comfort of the residents. Therefore, through this research it is hoped that it will be able to create a design for an orphanage that meets
